Fast, secure, digital payments for rental transactions

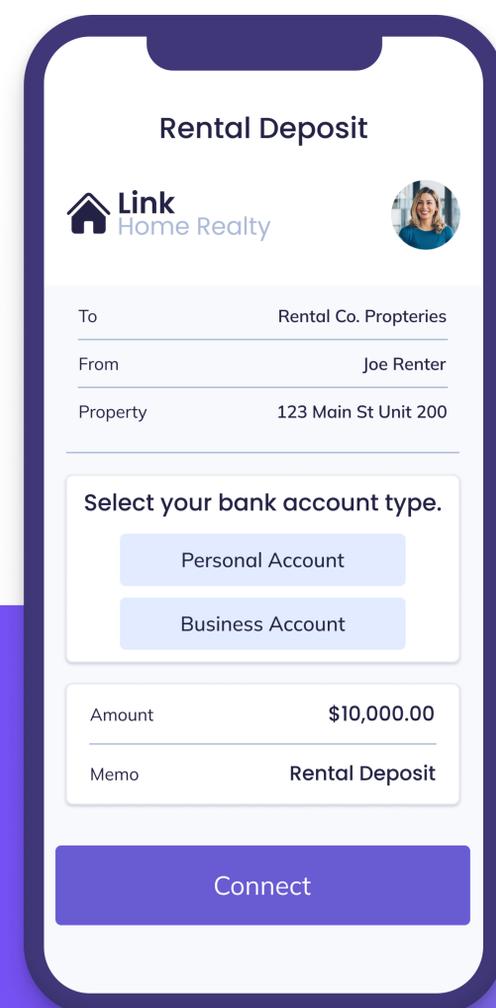

Collect deposits and commissions in minutes.

- Request up to \$250,000 in a single payment
- Payments clear in as little as one business day
- Split payments between multiple tenants
- Redirect payments to landlords and management companies
- Eliminate “bounced checks” and wire fraud from your business

The screenshot shows a web interface for managing transactions. At the top, it says "Transactions" for the period "January 1 - January 31". There is a search bar and several filter dropdowns for "Company", "Office", "Team", and "Status". Below these are several transaction entries, each with a description, address, amount, status, and time.

Description	Address	Amount	Status	Time
Earnest Money Deposit	43 School St	\$10,300	Cleared	3:00pm
Commission	63 Easy St	\$15,000	Pending	
Payment	89 Lucky Way	\$1,500	Cleared	
Rental Payment	34 Broadway Ave	\$6,250	Sent	
Commission	43 School St	\$20,250	Requested	
Earnest Money Deposit	67 Lucky Way	\$12,000	Pending	

The screenshot shows a mobile app interface for making a rental deposit. It displays the "Link Home Realty" logo and a user profile picture. The form includes fields for "To" (Rental Co. Properties), "From" (Joe Renter), and "Property" (123 Main St Unit 200). Below this, there are two buttons for "Personal Account" and "Business Account". The "Amount" is set to \$10,000.00 and the "Memo" is "Rental Deposit". A large "Connect" button is at the bottom.
